

POP-UP SHOPS

Building Vibrant Streets

pop-upshops.ca

What is a pop-up shop?

Pop-up shops are temporary retail stores that maximize vacant commercial space

What do pop-up shops do?

Provide opportunities to retailers while bringing new energy to the commercial area

How do they work?

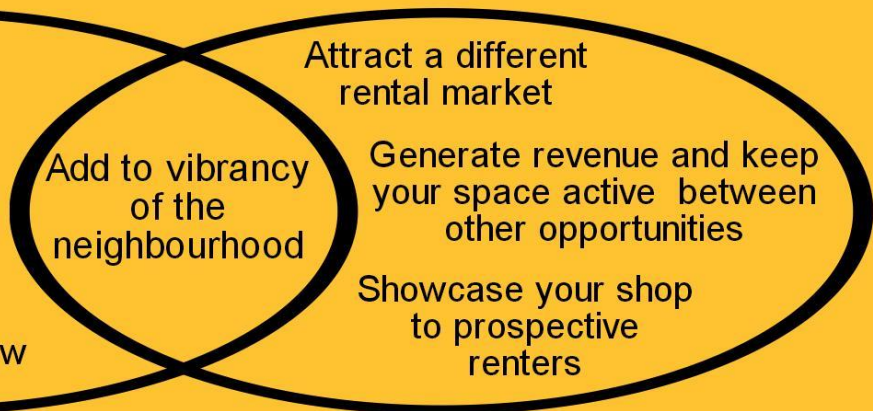

Retailers and property owners reach an agreement to use available space on a short-term basis

Benefits of Pop-up Shops

Pop-up Tenants

Property Owners

As an Economic Development Tool
